

“Your Word”

Condescending is just a word
Used by those who've never heard
Or chose to turn their wondering ear
Away from those who bring good cheer

Your beautiful message able to save
All God's people not worthy of grace
Yet once for all, He did send
His beloved Son to die for our sins

So one day when our race is run
Our soul to Him shall forever return
To live eternally in Heaven above
With our Heavenly Father and His Dear Son!

So just because some will not hear
We must earnestly contend in the faith we trust
For without Christ and that Hope within
That home in Heaven could not be near

We pray for those hard of heart
Would someday soon lend an ear
Accept the truth and take the prize
Offered ONLY through "Your Word" that is so Dear!
